

How to pack for an island trip.

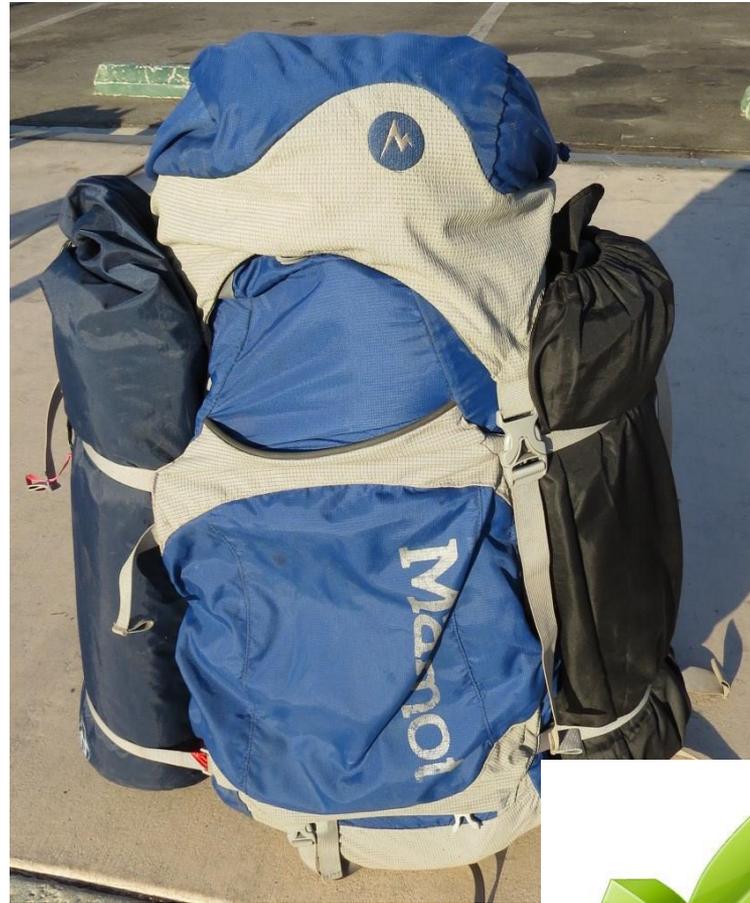

NO SINGLE ITEM OVER 45 LBS.

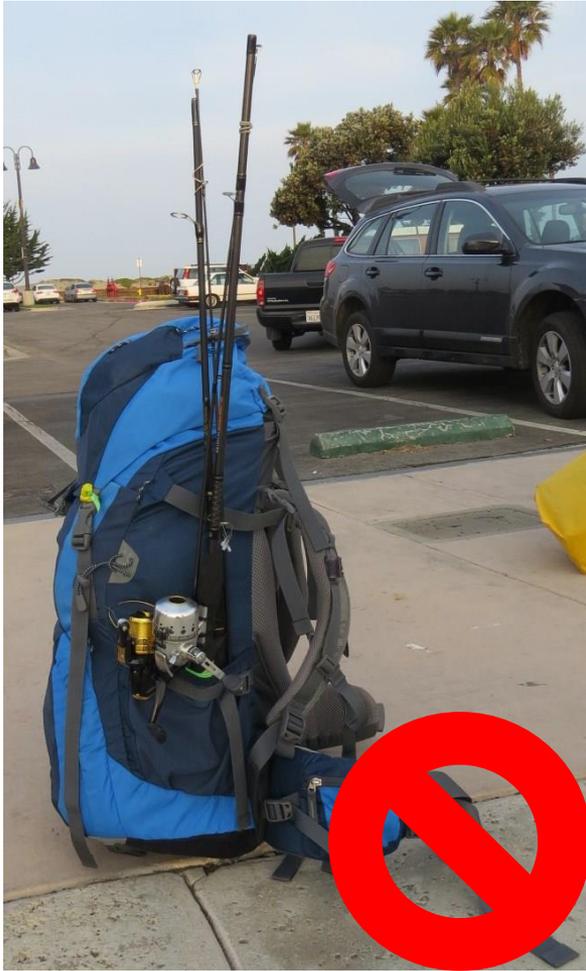

**Water containers may not exceed 5 gallons
and may not be inside or on your pack.**

All propane, gases and flammable liquids must be kept separate from gear going below deck. Your fuel will be transported in steel boxes provided by the vessel.

**Store all items INSIDE your pack.
Gear with dangling items attached get caught in the
cargo hold and tear up your pack.**

Keep your hiking poles and fishing poles separate from your pack.

We do not accept outboard motors, rubber rafts, windsurfers, paddle boards, or surfboards over 8 feet in length.

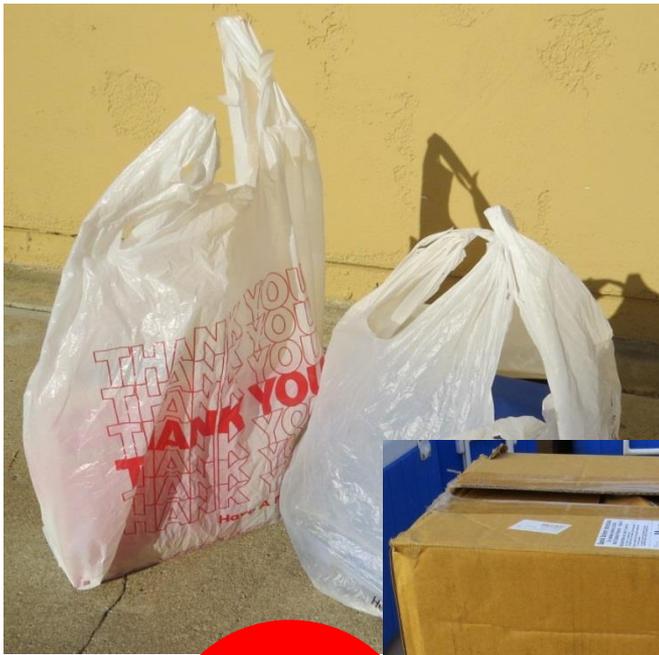

Kayaks must have a bow line that is 6-8 feet long with a clip on the free end.

**NPS does not allow carts, dollies or wagons on the island.
You may bring a two wheeled, collapsible model for
an extra charge of \$10.**

**PLEASE NOTE: Unless there is a child in your stroller,
it will not be allowed on board.**

**Do not store items in plastic bags or cardboard boxes.
NPS does not allow these products in the Park for
biosecurity reasons.**

Help protect your Park by preventing the introduction of non-native species.

Before you pack for this trip:

- **Check your tent for seeds/dirt from your last destination**
- **Shake out backpacks that have been stored for long periods of time**
- **Rinse cobwebs/dirt out of your kayaks**

**Thank you in advance for helping facilitate
our gear loading process!**
